

ADDITIONAL DIVISIONS

Grow and win new business with the support of BenefitMall's additional divisions

Beyond traditional General Agency services, BenefitMall supports brokers and their clients with additional value-added services.

The BenefitMall **Account Services Division** (ASD) provides strategic advisor services and support for the entire continuum of your client's needs.

- Account management
- Renewal services
- Reporting
- Customer service for brokers & clients

The **Consumer Products Division** supports brokers nationwide with coverage for individuals, seniors, and short-term medical.

- Guidance for Medicare
- Carrier contracting
- Quoting tools

The BenefitMall **Self-Funded Division** is a leader in the alternative-funded marketplace and has valuable, established relationships with major carriers in the self-funded market.

- Marketing
- Billing and premium collection
- Licensing and commissions
- Claims expedition
- Compliance services
- Ancillary services

NEXT GENERATION BROKER SERVICES

Our additional divisions will take your agency to the next level in servicing your clients and elevate you above the competition.
