BenefitMall and its designees will be free to copy, disclose, distribute, incorporate and other-wise use or destroy the Comments and all data, images, sounds, text and other things embodied in the Comments for any and all commercial or noncommercial purposes. BenefitMall is and shall be under no obliga-tion to respond to any of your or any other user’s Comments. Further, BenefitMall may aggregate, compile and use your Data to improve, develop or enhance the Sites or Apps or other existing or prospective services offered by BenefitMall, so long as no Data is identifiable as originating from you in such aggregated form.

You further agree that submitted information does not and will not contain libelous or otherwise unlawful, abusive, obscene or pornographic material. You are and shall remain solely responsible for the content of any information you submit.

2.6 As described in our Privacy Policy, BenefitMall takes steps to protect Data containing sensitive personal information. As a registered user of the Sites or Apps, your account administrator may elect to unmask certain sensitive personal information contained in the Data. Unmasking sensitive personal information may increase the risk of unauthorized access to, and copying, viewing and distribution of, sensitive personal information. BenefitMall disclaims any and all liability associated with an administrator’s election to unmask sensitive personal data.

2.7 You agree that BenefitMall may use and/or disclose information about your demographics and use of the Sites or Apps in any manner that does not reveal your identity. By participating in sweepstakes, contests or promotions offered on the Sites or Apps, and/or requesting promotional information or product updates, you agree that BenefitMall may use your information for marketing and promotional purposes. 2.13 BenefitMall may require certain security measures to access the Sites and Apps. These security measures may include passwords (as set forth in Section 2.9), multifactor authentication (MFA), and SSL (Secure Sockets Layer) encryption. Multifactor authentication is a security method that uses multiple mechanisms to authenticate a user, such as a combination of a password and means to verify that a user possesses a particular mobile device. You acknowledge that certain features of the Sites or Apps (including security measures, such as MFA) may trigger SMS or voice calling authentication, authorization, or other communication to you from BenefitMall or its agents or representatives (collectively, “Communications”). You authorize and consent to all such Communications. You will be responsible for any fees or charges related to your receipt of Communications, including fees or charges imposed by your carrier or provider of internet or telephone services.

11. HIPAA Privacy & Security

11.1 Capitalized terms used, but not otherwise defined in this Section 11, shall have the same meanings as those terms in the Standards for the Privacy of Individually Identifiable Health Information and the Security Standards for the Protection of Electronic Protected Health Information, promulgated pursuant to the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), codified at 45 C.F.R. Parts 160 and 164. “Protected Health Information” or “PHI,” as used in this Agreement, means (subject to definition provided at 45 C.F.R. 160.103) individually identifiable health information that you receive from BenefitMall or that you create or receive on behalf of BenefitMall in connection with this Agreement.

11.2 This Section 11 is intended to comply with the requirements of the Business Associate agreements BenefitMall has entered into with insurers subject to HIPAA, and is to be constructed to achieve compliance with those requirements. BenefitMall is contractually prohibited from sharing PHI with you without your agreement to comply with the terms of this Section 11.

11.3 You may use or disclose PHI only for the purposes of fulfilling your obligations under brokerage agreements with BenefitMall’s affiliated carriers. Notwithstanding the foregoing, you may not use or further disclose PHI in a manner that would violate the requirements of the HIPAA Privacy Rule. You may use and disclose PHI for your proper management and administration or to carry out your legal responsibilities consistent with the provisions of 45 C.F.R 164.504(e)(4)(i) and (ii). You may only disclose PHI for such purposes if:
(a) the disclosure is required by law; or
(b) you obtain reasonable assurances from the person to whom the information is disclosed that it will remain confidential and be used or further disclosed only as required by law or for the purpose for which it was disclosed to the person, and the person notifies you of any instances of which he or she is aware in which the confidentiality of the information was breached.

11.4 You will not use or further disclose PHI other than as permitted or required by this Agreement or as required by law.

11.5 You will ensure that any agent of yours, including a subcontractor of yours, to whom you provide PHI received from or created or received by you on behalf of BenefitMall, agrees to the same restrictions and conditions that apply to you with respect to such information.

11.6 In accordance with 45 C.F.R. 164.520, and to the extent that such a limitation may affect your use or disclosure of PHI, BenefitMall will notify you of any limitation(s) and changes in, or revocation of, permission by an individual to use or disclose PHI.

11.7 You will use appropriate safeguards to prevent the use or disclosure of PHI other than as provided for by this Agreement. You will implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the electronic PHI that you create, receive, maintain or transmit on behalf of BenefitMall as required by the HIPAA Security Standard, as amended from time to time. You will report to BenefitMall any security incident of which you become aware.

11.8 You agree to mitigate, to the extent practicable, any harmful effect that is known to you of a use or disclosure of PHI by you in violation of the requirements of this Section 11.

11.9 You will report to BenefitMall any use or disclosure of PHI not provided for by this Section 11 of which you become aware.
11.10 You will make PHI and information related to disclosures of PHI by you available to BenefitMall in the
time, manner and place designated by BenefitMall, to the extent required to provide an accounting of disclo-
sures in accordance with 45 C.F.R. 164.528. You agree to document such disclosures of PHI and information
related to such disclosures as would be required for an entity subject to HIPAA to respond to a request by an
individual for an accounting of disclosures of PHI in accordance with C.F.R. 164.528.

11.11 If you receive a request, made on behalf of the Secretary of the Department of Health and Human
Services, that you make your internal practices, books and records relating to the use and disclosures of PHI
available to the Secretary of the Department of Health and Human Services for the purposes of determining a
covered entity’s compliance with the HIPAA Privacy Rule, then you will promptly comply with the request.

11.12 Upon termination of this Agreement for any reason, if feasible, you will destroy or return PHI received
from BenefitMall or created or received by you on behalf of BenefitMall that you still maintain in any form and
retain no copies of such information. If such destruction or return is not feasible, you will extend the protections
of this Section 11 to the information retained and limit further use and disclosure to those purposes that make
the destruction of the information infeasible.

11.13 The term of this Section 11 shall terminate when all of the PHI provided by BenefitMall to you, or created
or received by you on behalf of BenefitMall, is destroyed.

12. Miscellaneous

12.1 This Agreement shall be construed in accordance with the laws of the State of Texas, without regard
to the principles of conflict of laws. You irrevocably consent to bring any action to enforce or relating to this
Agreement in the federal or state courts located in the County of Dallas, Texas. You agree that regardless of
any statute or law to the contrary, any claim or cause of action arising out of or related to the Sites, the Apps,
the Content, the Software, or this Agreement must be filed within one year after such claim or cause of action
arose or be forever barred.

12.2 This Agreement constitutes the entire agreement between you and BenefitMall with respect to the subject
matter hereof, and supersedes all previous written or oral agreements between the parties with respect to such
subject matter, except to the extent the parties have agreed to a written Client Services Agreement, in which
case such Client Services Agreement shall control to the extent there is a conflict between the Client Services
Agreement and this Agreement.

12.3 In the event that any provision of this Agreement is held by a court of competent jurisdiction to be invalid
or unenforceable, the remainder of the provisions in this Agreement will remain in full force and effect unless
the invalid provision constitutes the essence of this Agreement.

12.4 If any inconsistency exists between the terms of this BenefitMall® User Agreement and any additional
terms and conditions provided in any other agreement between you and BenefitMall and/or included in
different parts of the Sites or Apps (the “Supplemental Terms”), such terms shall be interpreted as to eliminate
any inconsistency, if possible, and otherwise, this Agreement shall have control over the Supplemental Terms.

12.5 Sections 2, 3, 4, 5, 7, 8, 10 and 11 shall survive any termination of this Agreement as well as any other
provisions, which by their terms or meaning are intended to survive.

12.6 The section titles in this Agreement are for convenience only and have no legal or contractual effect.

12.7 You may not assign this Agreement, by operation of law or otherwise, and any assignment shall be
considered null and void.

12.8 This Agreement is intended for the sole benefit of BenefitMall and you and does not create any third party
beneficiary rights.
12.9 BenefitMall reserves the right to update this Agreement at any time and from time-to-time, effective upon posting of an updated version to the Apps or BenefitMall website available at www.benefitmall.com. You are responsible for regularly reviewing this Agreement. You should closely monitor the revision date on this Agreement and any changes of its posted date shall be deemed notice to you that the Agreement has been changed or amended. Continued use of the Sites or Apps after any such changes shall constitute your consent to such changes. The parties also agree to take such action as is necessary to amend this Agreement from time to time as is necessary to comply with applicable laws, including, without limitation, HIPAA requirements.

12.10 Please report any violations of this Agreement to our support group at termsandconditions@benefitmall.com. Your use of the Sites or Apps will be deemed acceptance of the above Terms and Conditions.

BenefitMall, not Apple, is responsible for addressing any claims you may have relating to the Apps or your possession or use of the Apps. In the event of any failure of the Apps to conform to any applicable warranty, you may notify Apple, and Apple will refund the purchase price for the Apps to you. To the maximum extent permitted by applicable law, Apple will have no other warranty obligation whatsoever with respect to the Apps. In addition, Apple has no obligation whatsoever to furnish any maintenance and support services with respect to the Apps. In the event of any third party claim that the Apps or your possession and use of the Apps infringes that third party’s intellectual property rights, BenefitMall, not Apple, will be solely responsible for the investigation, defense, settlement and discharge of any such intellectual property infringement claim.
